- Project Description:**
Board Development
WRI will develop and deliver a training to the Board, which includes a brief review of the relationship between the Volunteer Center and Gloucester County College, as well as the Roles and Responsibilities of Board Members, the Executive Director, Board Officers and Board Committees. This training will also include an exercise on How the Board and Executive Director Should Relate/Work Together.
- WRI will create, administer, compile, and report on a questionnaire to the Board regarding the Volunteer Center’s major challenges and priorities for the year. The survey will be followed by a session of the Board to develop the organization’s work plans for the year.
- Non-Profit Workshops
WRI will create and deliver three workshops offered by the Volunteer Center for non-profits in Gloucester County—Roles and Responsibilities for Effective Boards; Governance by the Board; and Fund Development.
